OTHER INFORMATION

1. Please be aware that we often sing in GERMAN. We have several German members in the choir who help with the pronunciation, and you will soon pick it up.
2. Choir scores are usually available to hire for a small fee (£1-£2) . Sometimes hire copies are not available and we may ask singers to purchase their own copies at a discounted price.
3. Before concerts you will be expected to try to sell tickets to your family, friends or colleagues.
4. Do not be too concerned by the voice assessment, it is quite straightforward. Most singers are nervous but then sail through!
5. Please note that in order to sing in a concert you must attend at least 75% of rehearsals.

Please return this form, by email, to our Membership Secretary, Nick Dubuisson at exeterbachsociety@gmail.com. He will also be able to help you with any questions that you have.
